

GIVE REGISTRY

*Helping women rebuild their lives,
one piece at a time*

#giveregistry

When a woman leaves abuse, all she often leaves with is her life. The Give Registry is a collection of essential items women need most when they're starting over. You can help by donating an item on this registry, with all products going to The Salvation Army women's refuges.

For every item you give, Myer will give one too.
